# Compact 6 HD Speech

The Compact 6 HD Speech is more than just another electronic magnifier. Being only 14 mm thin, it is a pocket-sized, 6-inch touch screen magnifier that reads texts aloud, whether it is at your desk, at a store, at home, at school, or at the office.

## Speech on the go

Point the Compact 6 HD Speech to a text, take a snapshot and listen to the text as it is read aloud. The pocket-sized Compact 6 HD Speech captures, recognizes and reads text to you in over 25 languages.

## Enjoy superior magnification

With the Compact 6 HD Speech, you can read magnified text in high contrast colors and view objects from a small distance. Thanks to its large 6-inch screen, you can fit more text on the screen for maximum

overview. Ready to use within a second, the Compact 6 HD Speech magnifies instantly after you turn it on.

## Designed to meet your needs

With its two cameras, customizable touch screen buttons and interface, you can transform your Compact 6 HD Speech and tailor it to your personal needs. Add the reading stand to read more comfortably at a desk or table, or use it without the reading stand for spot-reading and magnifying nearby objects.

Enjoy maximum overview on the 6-inch touch screen

Listen to documents as they are read aloud - wherever you are
