

Compact 6 HD

**Enjoy sharp magnification
on a 6-inch touch screen**

Optelec

**Simple and effective solutions for the
blind and visually impaired**

The Compact 6 HD is more than just another electronic magnifier. Being only 14 mm thin, it is a pocket-sized, 6-inch touch screen magnifier that you can use at your desk, at a store, at home, at school, or at the office.

Enjoy superior magnification

With the Compact 6 HD, you can read magnified text in high contrast colors and view objects from a small distance. Thanks to its large 6-inch screen, you can fit more text on the screen for maximum overview. Ready to use within a second, the Compact 6 HD magnifies instantly after you turn it on.

Designed to meet your needs

With its two cameras, customizable touch screen buttons and interface, you can transform your Compact 6 HD and tailor it to your personal needs. Add the reading stand to read more comfortably at a desk or table, or use it without the reading stand for spot-reading and magnifying nearby objects.
